

COMBO SCREW COMPRESSOR(6 IN 1)

Compact design : Air compressor+ Refrigerated Airdryer + 2Filters + Water separator + Pressure vessels

Model	Working pressure		capacity		Power Transmission Type	Motor power		Connection Size		Dimensions (mm)			Weight Kg	Noise dB(A)	pressure vessel capacity lit
	bar	psig	m3/min	cfm		Hp	Kw	Inch	DN	Length	Width	Height			
RSC-10	7.5	110	1.35	48	BELT	10	7.5	1	25	2200	900	1800	620	69	1000
	8.5	120	1.2	42											
	10	145	1	35											
	13	190	0.8	28											
RSC-20	7.5	110	2.5	88	BELT	20	15	1	25	2200	1100	1800	700	75	1000
	8.5	120	2.3	81											
	10	145	2	71											
	13	190	1.7	60											

Additional explanations :

1. High quality refrigerated airdryer with 3 ° c Pressure dewpoint
- 2.Option : All ISO 8573.1 - 2010 filtration classes are available
- 3.Air compressor cooling method : Air cooled
